

Government of Andhra Pradesh
Public Health and Municipal Engineering Department
EOI Notice No. 109/T3/AE/Water Audit/2015, Dt: 16.03.2015

Expression of Interest for Conducting Water & Energy Audit

The P.H.&M.E. Department is in charge of Investigation, Designs, and Execution of Water Supply and Sewerage Schemes in all the Urban Local Bodies of the state of Andhra Pradesh . Subsequently the day to day Operation and Maintenance of Water Supply and Sewerage Schemes are taken care by the concerned Municipal Corporations and Municipalities.

It is proposed to conduct comprehensive Water and Energy audit of the existing water supply schemes in the selected 21 ULBs of AP . The broad terms of reference are:

- 1) Water Audit from Source to distribution reservoirs to know the Transmission and Distribution losses.
- 2) Energy audit of all the HT and LT Pump Houses
- 3) Water Audit in a selected DMA in each town to assess the Distribution losses.
